May 2024

Blairgowrie Bowling Club opened the 2024 season with an extremely well attended first meeting. President Sean's wife, Ashley, delivered the silver jack to start the match between President Sean and Vice President Adrian. After an excellent afternoon of bowling under sunny skies, President Sean's team won. Afterwards bowlers were treated to a buffet tea, the screening of the Grand National, a raffle and excellent company. The club is looking forward to a packed season of both competitive and friendly matches.

The club is holding a "Try Bowls" event on Saturday 4th May from 10am onwards. If you know anyone who might be interested please encourage them to come. The event is free and tea and coffee are provided.

Bingo moves back to it's summer start time of 8.45 for 9pm. Why not come along and give it a go, it's great fun and good company!

This year our own Willie Donaldson is President of the Perthshire Bowling Association. This means that prestigious games and fixtures will be played at our club, bringing revenue in to the bar. If you could help out at any of these events, it would be much appreciated.

Etiquette

Please remember that when you are walking along the path around the green, it is distracting for players who are bowling. Please stand still until they have delivered their bowl. Please do not walk along the edge of the green behind an active rink.

Internal Competition tie sheets are now up in the club, please sign up by the appropriate date. **Dates are specified on the top of each sheet.**

Monday and Friday rinks have now started

**Monday 1.45 for 2pm
Friday 6.15 for 6.30pm**

An ideal opportunity to play friendly games in supportive company
